

# EBV Reunion 2011

THE GATHERING MAY 13 - MAY 16TH

Volume 3 Issues We All Have Them

April 1, 2011

## Time Is Drawing Near

The host hotel Omni Southpark in Austin, Texas only has half the required rooms allocated reserved at this time. That means that those who intend on going to our reunion need to make their reservations. We have multiple methods in play to advise fellow EBVers of the

upcoming event but two key actions need to be taken by participants. The first is to call the OMNI Southpark location at 512-448-2222 and make your room reservation. Notice there are two OMNIs in Austin. Be sure to request the Southpark location. Secondly is that you request the EBV room block to receive the special rate and help fill our allotment. Any shortfall in room reservations will be charged to the organizing committee (mainly Jeff). Right now he is sweating bullets because the responses have been slow in coming.

The hotel went through a major remodel since the last reunion and is truly a four star location. It's proximity to the downtown area makes

it affordable but keeps the downtown area within reasonable access.

Reserving a room gives us a reasonable head count of those that are serious in attending. We have heard from multiple people that say they are coming but have not taken any action past stating such. So please reserve your room today. You may cancel without penalty up to the night before.

## Facebook, Evite, Email, Snail Mail and Newsletters.

We are on Facebook. Visit the Vistarama group. Each day that somebody registers, we post their name, year attended EBV and number of guests. We list the married ladies under their maiden names because we have no earthly idea who they are otherwise.

Evite is just another way to get folks to respond. Saying yes on Evite DOES NOT register you for the event. Please read the Evite instructions to get registered properly or read the section in this newsletter under Registration.

Emails are sent out by Bill

Robinson to keep individuals informed and disperse the newsletters. Obviously if your reading this have your email address on our list.

Denny is actually sending out snail mail newsletters to those that have not joined the internet craze.

## People Registered

The sixth page of this newsletter is a list of those that have actually registered and paid their fees and below that is a list of those that have said "yes" on Evite but have yet to register. There are a number on the Evite list that have yet to respond. Please go to your Evite invitation and respond one way or another if attending. If you did not receive a Evite but you did get this newsletter then email me and I will add you to the Evite list.

## SEGWAY TOURS

## Other Things To Do

As stated before, we have left the day open for activities to be pursued on your own or as a group. Central Texas is a mecca for outdoor activities. Fredricksburg is a lovely little town with the Nimitz WWII museum and one can visit Enchanted Rock State Park just north of the town. Various winery tours are available just ask the concierge for a list. Perdenales Falls is a relaxing area of clear wading pools. A closer area (with exotic vistas) is Barton Springs just off of Townlake in downtown Austin. Segway tours of Downtown 512-402-9299.

Austin Duck Adventures is a unique way to tour Townlake. Call to reserve 512-477-5214

# Volume 3 Issues We All Have Them

## Registration

Is simple. Cost is \$65/person. That is intended to cover all costs incurred by the reunion committee. What is included in that fee are the appetizers at the pool party and “Noche Latina”, the Dj, the decorations and the Saturday evening meal. The hotel has a minimum amount they expect charge our group. The appetizers will offset that amount some but we will rely on the shortfall to be made up by sales at the cash bar at the pool party and the “Noche Latina”. So we humbly request that people use the cash bars in the immediate area of our parties and not use the lobby bar. The adjacent box gives you all the information you need to get registered.

### Send Check to Register to:

**Jeff Jorgensen/EBV  
2206 Hunter Road  
San Marcos, Texas 78666  
512-757-0883**

Make check out to Jeff Jorgensen. The fact that we only do this every couple of years hardly justifies setting up a corporate entity. Please include the years you attended EBV and what grade you were in on the check. If you were a teacher, Roberts student, plain ole Maracucho or from across the lake please make note of such.

## Second Night Barnburner

We are amending the Country Western second night slightly. After the last reunion Jeff realized that he hardly had time to get to talk to many of the attendees. It would be time consuming and unfair to saddle Bill with cooking for this group all day Saturday. So instead we plan to supply BBQ from the world famous “Salt Lick

Barbeque”. The food supplied from this establishment has been featured multiple times on the Food Channel Network.

Our intent is to serve the food adjacent to the Midnight Rodeo Dance Hall just a few blocks from the hotel. After dining, folks are welcome to join us inside for some boot scooting. There is

a cover charge to get in. Music will be supplied by a DJ that plays current C&W hits mixed with a few oldies.

## Restaurant Reviews

This is a list of local favorite eateries. Trying to stay away from the chain restaurants that you can find in your hometown. We strongly advise folks to make a early reservation to avoid the weekend congestion of the typical dinner hours and that way you will not miss the reunion evening festivities. There are a number of lunch trailer establishments that offer some good food for middle of the day snacking. The South Congress locations are close to the hotel.

**Z Tejas** A local favorite on 6th street featuring a eclectic mix of southwestern cuisine. Menu available online. Website address: [www.ztejas.com](http://www.ztejas.com)

**Casa Colombia** Big time favorite with everyone last time. Dishes like Ropa Vieja, ceviche, yucca frita and plantains. Better call and make reservations for a large party. 512-495-9425 [www.casa-colombia.com](http://www.casa-colombia.com)

**Habana** Two locations in Austin, one on sixth street another on south Congress (closest to hotel). Cuban delicacies with some food resembling Venezuelan cuisine. [www.habanaaustin.com](http://www.habanaaustin.com)

**Justine's** Eclectic French cuisine open late on Austin's east side. Heck just watching the opening film on their website makes me want to be a regular at this Austin hot spot. [www.justines1937.com](http://www.justines1937.com)

**Gueros Taco Bar** One of Austin's favorite Mexican restaurants. On South Congress close to hotel. Tacos, enchiladas and fajitas are great here. 512-447-7688 [www.guerostacobar.com](http://www.guerostacobar.com)

**Matt's El Rancho** Another local Mexican favorite eatery. Again close to the hotel and bustling with typical Mexican fare (the enchiladas are the best around). [www.mattselrancho.com](http://www.mattselrancho.com)

**Fonda San Miguel** Interior Mexican cuisine. A unique experience especially for those that want a unique brunch experience. Well acclaimed nationally. Best make reservations for this one. [www.fondasanmiguel.com](http://www.fondasanmiguel.com)

**Flip Happy Crepes** Trailer eatery with unique mix of crepes. [www.fliphappycrepes.com](http://www.fliphappycrepes.com)

**Vespaio** Italian upscale restaurant on South Congress [www.austinvespaio.com](http://www.austinvespaio.com)

**South Congress Café** Continental cuisine with an Austin touch [www.southcongresscafe.com](http://www.southcongresscafe.com)

**Casino El Camino** A sixth street dive featured on Diners, Drive Ins and Dives on the Food Network. The Bloody Marys are a meal in themselves, but the burgers are out of this world. [www.casinoelcamino.net](http://www.casinoelcamino.net)

Live music venues are still to be determined. The next newsletter will have a listing of venues and who is playing at each one. Stay tuned but if you want to see the venues go to the local entertainment paper The Austin Chronicle ([www.austinchronicle.com](http://www.austinchronicle.com))
